# SIGNAGE

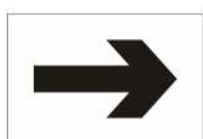

Signage is often the first contact your customer or visitor has with your company, and it is crucial for a great first impression. That's why doors, walls, desks, tables or counters – all areas of business and industry require interior signage. PlasTech Print's cost-effective signs are the professional way to inform, identify and direct.

## DIRECTIONAL WALL SIGNS

These signs are assembled using smart, durable ABS plastic with a self adhesive backing for easy application.

## BESPOKE SIGNAGE

Whatever shape, size and colour best suits your needs, we can create it thanks to state-of-the-art manufacturing and printing processes. Your signage is fully customised to your specific requirements ensuring consistency with your brand and environment. Our tailored designs, including free-of-charge universal graphics, will suit the environment whether it's traditional, contemporary or quirky; the engraved lettering will ensure a superior finish. And with no minimum order, your professional-looking signage is low cost as well as high-quality.

## BRaille & TACTILE SIGNS

Disability Discrimination Act compliant, our braille and tactile signs help you create a fully accessible environment for your customers and visitors. Our braille signs for blind and partially sighted people are made from a safe material with no sharp edges or screw heads and supplied with a strong, self-adhesive backing for quick, easy & safe use.

## DEMENTIA FRIENDLY SIGNS

Bespoke dementia friendly signage designed to help those with impaired memory, disorientation or difficulty processing information. Clear, high contrast lettering improves readability while additional visual prompts such as pictures make signage easier to understand.

## ROOM NUMBERS

Made from durable ABS plastic with permanently engraved text to ensure durability and quality. Available in a variety of colours, shapes and sizes with the choice of self adhesive backing or screw holes.

## DOOR AND DESK PLATES

Create an impression with our award-winning door plates and professional-looking desk signs. Polished metal backing plates with a choice of gold or silver finish, elegance and style come as standard. Available in two sizes: 25 x 200mm and 50 x 200mm.

## DIRECTIONAL SIGNAGE

A direction or identification sign is often the first contact your customer or visitor has with your company and it is crucial for a great first impression. PlasTech Print's cost-effective signs are the professional way to inform, identify and direct.
